

## Privacy Statement for the Registration form “Horizon e-magazine – Sign up for our editor’s picks”

### 1. Objective

This Registration form offers you an online electronic registration to the Horizon editor’s picks. While registering your personal data will be collected and further processed for the purposes detailed hereafter. As this online service collects and further processes personal data, Regulation (EC) 45/2001, of the European Parliament and of the Council of 18 December 2000 on the protection of individuals with regard to the processing of personal data by the EU institutions and bodies and on the free movement of such data, is applicable.

### 2. What personal information do we collect and through which technical means?

#### Identification Data

The personal data collected and further processed are data necessary for the identification of the subscribers and sending of the alert such as e-mail address.

#### Technical information

The system uses session «cookies» in order to ensure communication between the client and the server. Therefore, your browser must be configured to accept «cookies». However, it does not collect personal or confidential information of any kind, nor any IP address from your PC. The cookies disappear once the session has been terminated.

### 3. Who has access to your information and to whom is it disclosed?

The full access to all personal data is only granted to a defined population of users, without a prejudice to a possible transmission to the bodies in charge of a monitoring or inspection task in accordance with the EU legislation. These users typically are: DG RTD Publications service and its subcontractors, acting as processors. The access to the collected personal data will be based on the need-to-know principle. Privacy statement

### 4. How do we protect and safeguard your information?

The collected personal data are recorded in a secured and protected database hosted in a Class A data centre. Access to the servers is only possible from the internal network. Remote access to the internal network is only possible through a VPN gateway. All application communication between the end user and the application is secured / encrypted by HTTPS and SFTP. All network components and servers are inspected and monitored by a 24/7 equipped service desk.

## **5. How can you verify, modify or delete your information?**

In case you want to verify which personal data is stored on your behalf by the responsible controller, have it modified respectively corrected or deleted, please contact the Controller by using the Contact Information below and by explicitly specifying your request.

## **6. How long do we keep your data?**

Your personal data will be part of a list of contact details shared internally amongst the staff of the Directorate-General for Research and Innovation of the European Commission for the purpose of contacting you in the future in the context of the European Commission activities. If you do not agree with this, please contact the Controller by using the Contact Information below and by explicitly specifying your request.

## **7. Contact Information**

In case you wish to verify which personal data is stored on your behalf by the responsible controller, have it modified, corrected, or deleted, or on your rights, feel free to contact the support team, operating under the responsibility of the Controller, using the following contact information: [privacy@horizon-magazine.eu](mailto:privacy@horizon-magazine.eu)

## **8. Recourse**

Complaints, in case of conflict, can be addressed to the European Data Protection Supervisor.
